

It's time to acknowledge your BIGGEST competitor...

The "NO DECISION" outcome

The key to any sale is to **not only** understand your prospects pains and problems, but to also **quantify** how much those problems are costing them!

% of opportunities lost to "No Decision"

40%

Studies show that 40-60% of all opportunities are lost to no decision

Annual Opportunities lost to "No Decisions"

12

Estimated deals you could have won with better positioning
