Hours Saved:	SECT41

Retired 15 different project management tools for one solution

Get more done, faster

Speed up work cycles, get it done right, and get more done without having to hire more people. Increase time to market, on time delivery, and shorten turnaround time with stakeholders.

CALX11 and SECT52 HOURS

Speed of issue resolution

• Savings SECT51

Add capacity for larger scale initiatives and projects

• Savings SECT52

Hours Saved SECT52

Increased Project Capacity by More Than 50%

99% On Time Delivery Rate

Compliance Savings

Establish confidence in your compliance policies and contribute to your organization's bottom line by ensuring compliance with regulations and requirements. Increase approval accountability by establishing an automated audit trail that can be stored and accessed when needed. Safeguard your brand at scale, and make sure that you know when and how your brand is being represented to the marketplace.

CALX12 and SECT61 HOURS

Organizational Fines:	SEC71
Annual Hours Spent on Compliance Process:	4,800
Audit Cost Reduction:	SEC72
Hours Saved:	SECT61

Create Drug Advertisements That
Must Comply With FDA Regulations

And remember—the employee experience matters.

Three things are at the heart of every organization's talent objectives - attracting, developing, and retaining the best people. And “how” employees work matters. In Workfront™'s global survey of 3,750 knowledge workers, 91% of respondents said workplaces with modern technology attract and retain the best talent. Learn more [\(Here\)](#)
