**ATB** Financial™

Reduced Cost to Manage a Job by  
60%

Team Members Regained 30% of  
Their Time for Innovation

# Tool consolidation

Consolidating tools can help you to reduce software costs, improve service delivery and simplify your management requirements. Workfront brings disconnected work into one system so you have more visibility into how and where your team focuses their time.

**\$1,237,586 and 62,934 HOURS**

Savings from employees entering data into multiple tools:	\$129,212
Reduced license and support costs:	\$148,500
Digital Content Management Savings:	\$959,874
Hours Saved:	62,934

Retired 15 different project management tools for one solution

# Get more done, faster

Speed up work cycles, get it done right, and get more done without having to hire more people. Increase time to market, on time delivery, and shorten turnaround time with stakeholders.

**\$194,345 and 10,672 HOURS**

Speed of issue resolution

• Savings \$75,842

Add capacity for larger scale initiatives and projects

• Savings \$118,503

Hours Saved 10,672

Increased Project Capacity by More Than 50%

99% On Time Delivery Rate

# Compliance Savings

Establish confidence in your compliance policies and contribute to your organization's bottom line by ensuring compliance with regulations and requirements. Increase approval accountability by establishing an automated audit trail that can be stored and accessed when needed. Safeguard your brand at scale, and make sure that you know when and how your brand is being represented to the marketplace.

**\$13,694 and 721 HOURS**

Organizational Fines:	\$0
Annual Hours Spent on Compliance Process:	960
Audit Cost Reduction:	\$13,694
Hours Saved:	721

Create Drug Advertisements That  
Must Comply With FDA Regulations

## And remember the employee experience matters.

Three things are at the heart of every organization's talent objectives - attracting, developing, and retaining the best people. And how employees work matters. In Workfront's global survey of 3,750 knowledge workers, 91% of respondents said workplaces with modern technology attract and retain the best talent. Learn more ([Here](#))
