

Your C3 Reservations ROI Calculator Results

Based on the data you have entered, we estimate that your current annual **cost associated to appointment scheduling is £21.80.**

According to this information, the payback period is greater than what would normally justify implementing a dock scheduling system. We suggest you consider the following:

- ✓ You can review the data you have entered to ensure its accuracy and re-submit the ROI Calculator.
- ✓ You may still require C3 Reservations but some critical factors that are specific to your operations were not considered in the analysis.

Analysis

- Number of inbound appointments received per week: 1
- Number of Schedulers: 1
- % of daily time spent by schedules conducting scheduling tasks: 1%
- Average hourly salary per scheduler: £1
- Other yearly direct costs related to poor scheduling: \$1

Your current appointment scheduling cost is: £21.80

Let us show you what C3 Reservations can do for you!
