#### Get more done, faster

Speed up work cycles, get it done right, and get more done without having to hire more people. Increase time to market, on time delivery, and shorten turnaround time with stakeholders.

#### £205,326 and 8,213 HOURS

Speed of issue resolution

• Savings £79,200

Add capacity for larger scale initiatives and projects

• Savings £126,126

Hours Saved 8,213

Increased Project Capacity by More Than 50%

99% On Time Delivery Rate

### **Compliance Savings**

Establish confidence in your compliance policies and contribute to your organization's bottom line by ensuring compliance with regulations and requirements. Increase approval accountability by establishing an automated audit trail that can be stored and accessed when needed. Safeguard your brand at scale, and make sure that you know when and how your brand is being represented to the marketplace.

#### £1,980 and 79 HOURS

Organizational Fines:	£0
Annual Hours Spent on Compliance Process:	96
Audit Cost Reduction:	£1,980
Hours Saved:	79

Uses Workfront to Manage and Create Drug Advertisements That Must Comply With FDA Regulations

# And remember the employee experience matters.

Three things are at the heart of every organization's talent objectives - attracting, developing, and retaining the best people. And how employees work matters. In Workfront's global survey of 3,750 knowledge workers, 91% of respondents said workplaces with modern technology attract and retain the best talent. Learn more (Here)
