Centres
Recticel

MobileXpense is a very user-friendly and intuitive solution which has helped reduce the time I spend entering expenses. In particular, the mobile app allows me to easily scan documents and auto-fills the relevant fields. I also appreciate the use of SpendController which automates back-office controls on policy and compliance.

Francois Gilles
Project Coordinator
UCB Pharma

MobileXpense has almost become an invisible system for us. We hardly need to pay attention to it and yet it works to everyone's satisfaction.

Henrik Ahtela
Finance Systems & Process
Manager
Proximus

MobileXpense have provided great user and customer experience for us. We consider ourselves to be a demanding customer and our needs have always been met with great warmth and care from the team. This really appeals to us.
