Customer success stories

All in all, we have achieved 1M in savings on a 9M travel spend. The simplified administration represents 25% of this. The rest is down to spend management - it's key and represents about 75% of the savings we've achieved so far thanks to MobileXpense.

MobileXpense is a very user-friendly and intuitive solution which has helped reduce the time I spend entering expenses. In particular, the mobile app allows me to easily scan documents and auto-fills the relevant fields. I also appreciate the use of SpendController which automates back-office controls on policy and compliance.
